

**86th Annual Meeting of the
German Geophysical Society
(DGG)**

1–5 March 2026 in Münster
Exhibition from 2–4 March

**Information on
Exhibition and Sponsorship**

Information on Exhibition and Sponsorship

The 86th Annual Meeting of the German Geophysical Society (DGG) will take place from 1–5 March 2026 in Münster, hosted by the Institute of Geophysics at the University of Münster. We expect about 500 participants, making this the largest conference of experts in geophysics in Germany and a popular forum for early-career researchers.

Among the participants there will be decision-makers responsible for awarding contracts, purchasing equipment and software, and approving research funding. The DGG Annual Meeting therefore provides an excellent platform to present your products and services and to establish or expand customer contacts. In addition to the exhibition, we offer opportunities for direct sponsorship of various segments of the conference, giving you the chance to promote your company or organization effectively.

By booking an exhibition booth and/or providing additional sponsorship, you are also supporting the diverse activities of the German Geophysical Society. In particular, you enable students to participate at a reduced registration fee.

Exhibition

The meeting will take place on the Science Campus of the University of Münster. The exhibition area is located in the foyer of the main conference building, neighbouring the rooms for plenary sessions, talks, and poster sessions.

Booth spaces of approx. 3 m², 5 m², or 9 m² are available (also larger ones upon request). We offer premium packages which also include conference registration for one or more persons (including the conference dinner), as well as basic booth equipment (table and chairs, 230 V power supply, and WiFi internet access). Exhibitors are listed in the conference program and on the conference website.

For larger booth space or specific requirements, please contact the exhibition organizers directly (firmen.dgg2026@uni-muenster.de).

The exhibition opens on Monday, 2 March, around 17:30 with drinks and snacks following a short introduction of all exhibitors after the opening ceremony. It runs until Wednesday, 4 March, 17:30. Booths must be dismantled latest by Thursday, 5 March, 14:00. On Tuesday, 3 March, from 13:00 to 14:00, you may also demonstrate equipment outdoors. In case of bad weather, an alternative time will be offered.

Registration deadline for exhibition booths: 15 December 2025.

Booth allocation will be managed by the exhibition team, taking into account the date of registration, booth size, and previous participation at the DGG Annual Meeting.

The exhibition area in the conference building.

We offer three **premium packages** as well as additional individual sponsorship options. Please contact the exhibition organizers before booking (firmen.dgg2026@uni-muenster.de). **We are happy to customize a package for you.**

Gold package (2,500 EUR)

- Exhibition booth (approx. 9 m²)
- Conference registration and conference dinner for 2 persons
- Full-page advertisement in the printed program booklet and conference proceedings (PDF)
- Logo on website (with link) and on the conference bag (single color)

Silver package (1,500 EUR)

- Exhibition booth (approx. 5 m²)
- Conference registration and dinner for 1 person
- Half-page advertisement in the printed program booklet and conference proceedings (PDF)
- Logo on website (with link) and on the conference bag (single color)

Bronze package (1,000 EUR)

- Exhibition booth (approx. 3 m²)
- Conference registration and dinner for 1 person
- Quarter-page advertisement in the printed program booklet and conference proceedings (PDF)
- Logo on website (with link) and on the conference bag (single color)

Additional Sponsorship Options

In addition, we offer you the following opportunities to support the conference and promote your products:

- Sponsorship of conference events such as coffee/tea breaks, Lunch'n Learn, lunch seminar, Meet & Greet for women in geophysics, welcome reception, or student's night (from EUR 150)
- Student support through travel grants (from EUR 150)
- Logo on the conference website with weblink (EUR 200)
- Flyer or small promotional items (by arrangement) in the conference bag (from EUR 150)

Job Fair

We offer exhibitors and sponsors the opportunity to present themselves as potential employers. Many student participants are close to graduation and looking for jobs. The following offer is available to all exhibitors and sponsors.:

- "Notice board" for job postings, internship opportunities, etc.
- Quiet rooms for interviews or meetings (upon request)

For more information, please contact us.
